REQUEST TO WITHDRAW RECORDED TERMINAL DISCLAIMER
PURSUANT TO 37 CFR 1.182

Dear Sir:

Request is hereby made to withdraw and nullify an earlier-submitted terminal disclaimer, submitted on May 1, 2008, in the above-mentioned patent application.

The terminal disclaimer was submitted together with a petition to revive an unintentionally abandoned application under 37 CFR 1.137(b) on May 1, 2008.

The undersigned asserts that the terminal disclaimer was submitted in error.

The filing date of the above-mentioned application is February 10, 2004.

37 CFR 1.137(b) requires submission of a terminal disclaimer with a petition to revive a utility application filed before June 8, 1995 but does not require submission of a terminal disclaimer with a petition to revive a utility patent application filed after June 8, 1995.

As the filing date of the above-mentioned patent application is well after June 8, 1995, the undersigned asserts that submission of the terminal disclaimer was not required to revive the unintentionally abandoned application and that the submission was made in error.

For this reason, the undersigned requests withdrawal and nullification of the terminal disclaimer that was submitted on May 1, 2008.

Respectfully submitted,

/ Robert H. Kelly /
